

Volunteer Social Media Advisor

Our Requirement

August 2019

This role can make a real difference to our future. We need someone with energy and enthusiasm to join us and help us do more to help groups in the poorest countries worldwide to strengthen their livelihoods through beekeeping.

As part of our friendly small fundraising and communications team the social media Advisor will guide our drive to increase our presence on Instagram, Twitter and YouTube.

- Create and post engaging content on Instagram, Twitter and Youtube channels to support our marketing and fundraising objectives
- Work with our fundraising and communications team to build campaigns

You will be joining an enthusiastic group of volunteers committed to the success of Bees Abroad. Many of us are beekeepers but it is not a requirement. We have a small administrative office in Wotton under Edge in Gloucestershire but we are a virtual organisation all based a home.

Interested?

Please email info@beesabroad.org.uk or 'phone 077887 47652.
